

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF )  
CHRISTIAN COUNTY WATER DISTRICT ) CASE NO. 93-215

O R D E R

On June 14, 1993, Christian County Water District ("Christian") filed its revised tariff sheet with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water procedure, KRS 278.015 and KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Christian purchases water from Hopkinsville Sewerage and Water Works Commission ("Hopkinsville"), the city of Crofton ("Crofton") and Barkley Lake Water District ("Barkley").

2. Hopkinsville increased its rates for water sold to Christian from \$1.31 to \$1.54 per 1,000 gallons effective July 1, 1993.

3. Crofton increased its rates from water sold to Christian from \$2.77 to \$3.09 per 1,000 gallons effective October 1, 1991.

4. Barkley has not increased its rates.

5. Christian proposes to increase the rates to its customers effective July 1, 1993.

6. During the 12 months ending April 30, 1993, Christian purchased 219,063,060 gallons of water, 160,139,700 gallons of which was purchased from Hopkinsville, 9,564,000 gallons from Crofton and 49,359,360 gallons from Barkley.

7. Christian sold 186,860,800 gallons of water during the same 12-month period.

8. Christian's calculations are correct and show an increase in purchased water cost of \$39,893, resulting in a purchased water adjustment of 21 cents per 1,000 gallons of water.

9. The rates proposed by Christian are incorrect in that the purchased water adjustment was not correctly applied to the rates for OUTWOOD ICF-MR and should be denied.

10. The purchased water adjustment of 21 cents per 1,000 gallons and the rates in Appendix A are fair, just and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Christian are denied.

2. The purchased water adjustment of 21 cents per 1,000 gallons of water and the rates in Appendix A, attached hereto and incorporated herein, are approved for services rendered on and after July 1, 1993.

3. Within 30 days of the date of this Order, Christian shall file revised tariff sheets setting out the rates approved herein.

4. Within 30 days of the date of this Order, Christian shall file a copy of the notice to its customers and verification that such notice has been given.

Done at Frankfort, Kentucky, this 25th day of June, 1993.
